

Environmental Policy

The company recognises its responsibility towards the environment, and issues this policy as a statement of management and commitment to minimising the environmental impact of our business activities.

Broadway is committed to ensuring effective management of all activities that have the potential to affect the environment by:

- Assessing our activities and operations to identify significant aspects which have the potential to have a negative impact on the environment.
- Controlling all significant environmental aspects.
- A commitment to comply with relevant environmental legislation and regulations and to other requirements to which the organisation subscribes.
- Continual improvement of environmental performance by building environmental considerations into the decision-making process and methods of operation, to minimise environmental impact and prevent pollution.
- Setting and publishing clear environmental objectives and targets and to monitor environmental performance results to ensure that targets are met.
- Ensuring that all our operations and activities are covered by this policy and that the policy is implemented, maintained and communicated to all employees.
- A commitment to maintain our ISO 14001 standard and achieve a continual improvement in our environmental management system.
- A commitment to achieving carbon neutrality for scope 1 and 2 emissions by 2030 and net zero for scopes 1, 2 and 3 emissions by 2050.
- Communicating this environmental policy to all other interested parties and the general public.

This policy is maintained and reviewed annually to ensure continual suitability and that any changes in our organisation, arrangements, scope of operations and our working practices are considered.
